Well Water Clinic Open to Everyone with Well Drinking Water

The Virginia Cooperative Extension office in Chesterfield is offering a Well Water educational and testing clinic at a savings through the Biological Systems Engineering Lab at Virginia Tech for a cost of \$52. The results are confidential.

Well water samples will be tested for **Lead, Sodium, pH, Arsenic, Nitrates**, as well as harmful bacteria such as **E. coli**, and **eight other concerns**.

Kickoff and Information meeting: **Monday, October 17, 2016 from 5:30 PM-7:00 PM**

Location: Meadowdale Library, 4301 Meadowdale Boulevard, Richmond, VA 23234

Please note the following:

- Drop off your water sample following the informational meeting at the Chesterfield County Cooperative Extension Office located at 6807 Mimms Loop, Chesterfield 23832 on **Wednesday morning, October 19th, 5:00 AM-8:30 AM**.
- About 4 weeks later, you will receive your confidential test results, an explanation of what the results mean, and information on how to handle any problems that are present. The date for the results and interpretation meeting is November 14, 2016 from 5:30 – 6:30 at the Meadowdale Library located at 4301 Meadowdale Boulevard, Richmond, 23234.

Payment is made in cash, money order, cashier's check or a personal check written to "Treasurer of Virginia Tech" delivered to or mailed to Virginia Cooperative Extension, Chesterfield Office, 6807 Mimms Loop, Chesterfield, VA 23832. There will be a \$50.00 return check fee payable in cash, money order or cashier's check.

Contact the Chesterfield Extension office at 804-751-4401 for registration and licole2@vt.edu for additional information
